

Buy Local Bro Ffestiniog

Grow Together Buy Local

The Blaenau ffestiniog Chamber of Commerce of Tourism has been approached by Councillor Mandy Williams to see if we would like to sign up to the Buy Local Campaign for the Ffestiniog and to run the scheme in our area. The aim of the scheme is to entice more people to buy local goods, services and products. In Blaenau for example we have a high street of shops selling goods but it is often hard work as local people spend elsewhere either on the internet or in other towns.

Shopping locally means buying from local, independent traders more often, instead of always using big chain stores. This keeps money circulating in the local area, helping to make our local economy strong and healthy for the benefit of all members of our community.

The Buy Local Scheme in Gwynedd aims to support and inform businesses and consumers who would like to do more to help strengthen our local economy.

The aim of the scheme is to strengthen the local economy. The Chamber has put together a survey for people in the area including local business owners. The results from the survey will help develop the Buy Local Scheme and it is for you to have your say about the economy of the area. There is a short survey accessed [here](#), a longer survey which can be accessed [here](#) or a paper one which can be picked up in the shops and cafes on the Blaenau Ffestiniog High Street. The closing date for the survey is Friday 12th February 2016

Please returned completed surveys to Dref Werdd, The Town Council, Cafe De Niro or This and That both in the High St Blaenau Ffestiniog or by email to harlequinjewellery@btinternet.com

Thanks

The link to the website with information is below and there is also a facebook page to sign up to
