

Business Opportunity:

AUTOPARTS West Wales are offering their AUTOPARTS Ffestiniog shop for franchise and are hoping a local person will take the business on. Trading has ceased temporarily until they can find someone reliable to run it.

The AUTOPARTS brand franchise will cost £100 a month payable in advance for 12 months of £1200.00. This entitles the franchisee to operate the business using the AUTOPARTS branded title to be incorporated with their own but parts have to be purchased via the home branch. A 5% handling fee will be charged but otherwise parts are supplied at net cost which will enable the operator to remain very competitive. The Landlord has agreed in principle to offer the double store area for a rental negotiable around £40-50 pounds a week. No business rates are charged either.

Don't be put off if you have never run a business before. There is help at hand via the Blaenau Chamber of Commerce and there are plenty of useful courses available from Coleg Meirion Dwyfor.
